

NTPC Paper Candidate Experiences Delhi - 24 April 2007

Paper Type : Candidate Experiences

Test Date : 24 April 2007

Test Location : Delhi

hi friends i hv givn the paper of NTPC on 24 th april 2007 , first i tell i m frm mechanical branch so it would be great help 4 all those who will be going 2 gv the next yr or there after 2007 .Now coming 2 point the paper comprises of Aptitude , technical n english .In total there was 170ques.n n time is 2 hrs so time management is very crucial it is very imp that u give atleast 1 go to all ques.n

Thr is -ve marking of 1/4

Aptitude-50 ques.nTech- 120 ques.n- It covers all subject which u hv studied in 4 years The ques.n normally on direct formulaes n units .The main subjects frm which they ask the quesn are:

Thermal and heat transfer-- many qs are on heat transfer through cylinder, wall, sphere

Mechanics of solid /SOM-- mohr circle,eq. bending formulae,

Mechanics of fluid/FOM-- viscosity, mach no.etc,surface tension turbine and pumps -specific speed and unit formulaes

OR -- CPM pert formulae time, crash cost

MCTD -- taylor eq.n, orthogonal cutting

Auto /engine-- knocking , cycles, SI engine ,CI engine

Tom -- max acc of piston, unbalancing force primary n secondary, isolation factor,

I have attempt abt 115-130 Q with i think 90% accuracy n i hv clared the written xam then follows GDn PI

GD- Love marriagevs Arrange marriage

PI - mixd personal n tech

Written - 85% weightage

GD-5%

PI-10%

This thing of weightage i came 2 know later on but i m telling u in advanc

By,

Hitesh
