**2. Statements:**

**I. Rural and semi-urban areas in the country have been suffering due to loadshedding for quite some time.**  
**II. If the Government is not able to overcome the power crisis, load-shedding will be extended even to the urban areas.**

- A. Statement I is the cause and statement II is its effect.
- B. Statement II is the cause and statement I is its effect.
- C. Both the statements I and II are independent causes.
- D. Both the statements I and II are effects of independent causes.
- E. Both the statements I and II are effects of some common cause.

 **Answer & Explanation**

**Answer:** Option E

**Explanation:**

If certain preventive measures are practiced at the rural and semi urban areas the problem will be solved. But if the same is not practiced even at the cities the problem may roll into the city also, so the two effects are of some common cause.

**9. Statements:**

- I. Many people in the area are reported to be suffering from Malaria.**
- II. Private Medical Practitioners in the area have decided to close their clinics for few days.**

- A. Statement I is the cause and statement II is its effect.
- B. Statement II is the cause and statement I is its effect.
- C. Both the statements I and II are independent causes.

D. Both the statements I and II are effects of independent causes.

E. Both the statements I and II are effects of some common cause.

### Answer & Explanation

**Answer:** Option **D**

**Explanation:**

Both the statements I and II are effects of independent causes. Because spreading malaria or to be suffering from malaria may be due to mosquitoes or dirtiness. But the decision of private medical practitioners to close the clinics may be due to other causes.
